# Hazardous Weather

Hot once again with afternoon and evening thunderstorms possible in the mountains and adjacent plains. Some thunderstorms will be accompanied by heavy rain with localized flooding possible.

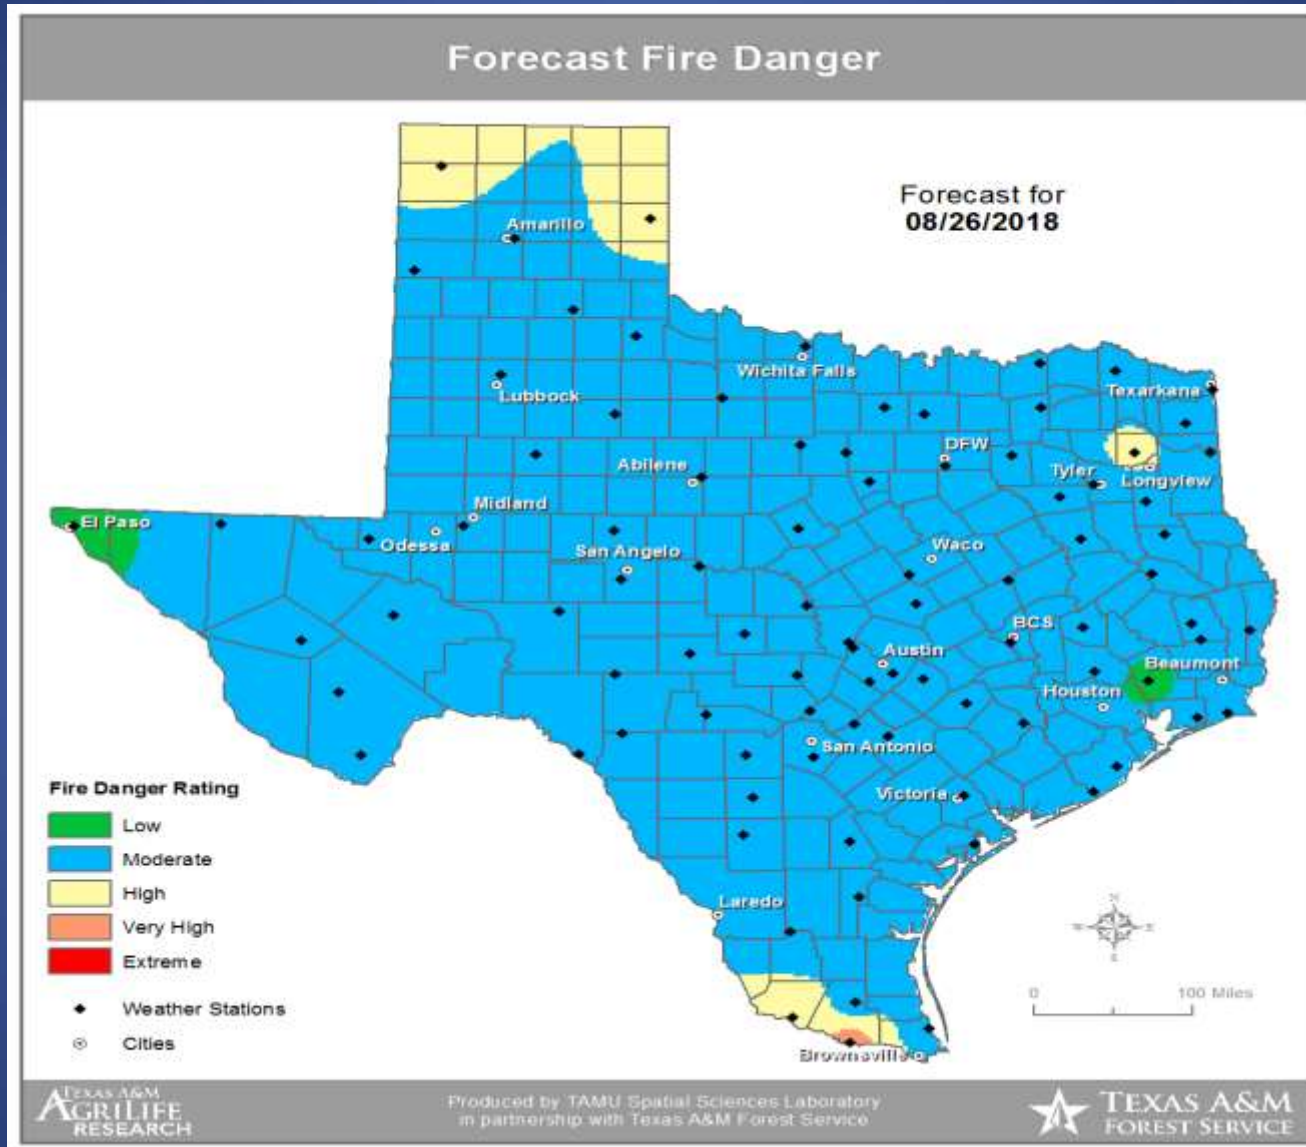

The combination of warm temperatures and high relative humidity will result in heat index values between 110 to 114 degrees today over portions of Nueces and Kleberg Counties. These heat index values are expected to occur between 11 AM and 5 PM today. Be sure to stay hydrated and take frequent breaks if you are planning on spending any time outdoors today.
